PIONEER '57

Foreword

We, the yearbook staff of '57, are proud to present to you our annual THE PIONEER. We have tried, so in years to come the activities of this school year at Romney High will not be divided and will not fade from memory.

In later years while turning these pages, if you should recall the many smiles, sorrows, and dreams of '57, we shall be content, knowing we have done the things we were called upon to do.

The 1957 Pioneer is yours. You made it; we preserved it through word and picture.

Congratulations on having completed the first twelve years of your formal schooling. As a result of it you are better prepared to take your place as a useful citizen in our society.

I hope many of you will continue your formal education, but for all of you I wish much success.

A. Clinton Loy
Superintendent
Hampshire County
Schools

I wish to extend best wishes to each member of the 1957 graduating class of Romney High School. I would remind you of the words of William Shakespeare:

"There is a tide in the affairs of men,
Which, taken at the flood, leads on to fortune."

May you continue to grow intellectually and spiritually so that the tide of life will carry you on to fortune and happiness.

Sincere congratulations,
